

This is a practice form with basic descriptive information.

SSN: _____ DESIGNATION: _____

PID: _____ STATE: _____ COUNTY: _____ GPS'ABLE: Y / N

SETTING AGENCY: _____ SETTING DATE: _____

RECOVERING AGENCY: _____ RECOVERY DATE: _____

MARK CATEGORY: _____ MARK TYPE: _____ MAGNETIC CODE: _____ STABILITY: _____

FLUSH / PROJECTING / RECESSED: _____ CM / INCH

SETTING CODE: _____ SETTING PHRASE: _____

AGENCY CODE: _____ AGENCY LOGO: _____ STAMPING: _____

ROD/PIPE DEPTH: _____ M / F SLEEVE DEPTH: _____ M / F

LATITUDE: N _____ LONGITUDE: W _____ SOURCE: _____

DATUM: _____ ORDER/CLASS: _____ TECHNIQUE: _____

TO REACH FROM (see back?) _____

_____ TO THE MARK _____

Suggest: TO THE MARK ON THE left/right (NEAR A prominent reference object, if applicable) or TO (describe road/street intersection) AND THE MARK IN THE (1 of 8 compass points) ANGLE (NEAR A prominent reference object, if applicable)

REFERENCE OBJECTS: (1 of 16 compass points)

_____ M / F _____ OF THE C/L OF THE RD/ST/HWY _____

_____ M / F _____ OF _____

_____ M / F _____ OF _____

_____ M / F _____ OF _____

_____ M / F _____ OF _____

If mark is at rd/st/hwy intersection, in the TO REACH, identify the two roadways forming an angle in which the mark lies. Determine the compass heading (8 point) from the center of the intersection to the midpoint of the roadway's angle. In REFERENCE OBJECTS, measure from both roadways; differentiate between them.
